The Board of Appeals will use the following questions to help decide if a variance is necessary. The Board will ask the questions listed below:

BOARD OF APPEALS CHECKLIST

(A variance will only be granted if all of the following questions are answered “yes” and practical difficulty with compliance to the zoning ordinances must be demonstrated.)

- 1) Has the Applicant shown that this variance would not adversely affect the intent and purpose of the Zoning Ordinance? If yes, explain.
- 2) Has the Applicant proven that a variance will not cause an adverse effect on adjacent properties?
- 3) Has the Applicant proven that a variance would not produce a nuisance condition to nearby premises?
- 4) Is the basis for the proposed variance due to uniquely identified characteristics of the property and not related to general conditions in the same zoning district throughout the township? *(If the Board of Appeals finds that the hardship is not unique, but common, then an amendment to the zoning ordinance or a re-zoning should be pursued.)*
- 5) Has the Applicant shown that a variance will not otherwise impair the public health, safety, or general welfare of the residents of Ingersoll Township?
- 6) Will strict compliance with the ordinances have the effect of unreasonably preventing the Applicant from using the property for a purpose permitted by the ordinance or would it be unnecessarily burdensome?
